COUGAR '71

NORTH CENTRAL HIGH SCHOOL

MORROWVILLE, KANSAS

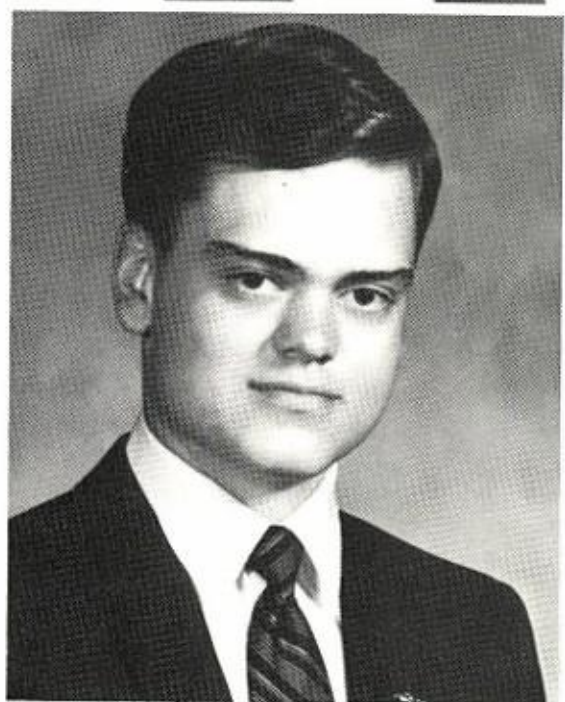

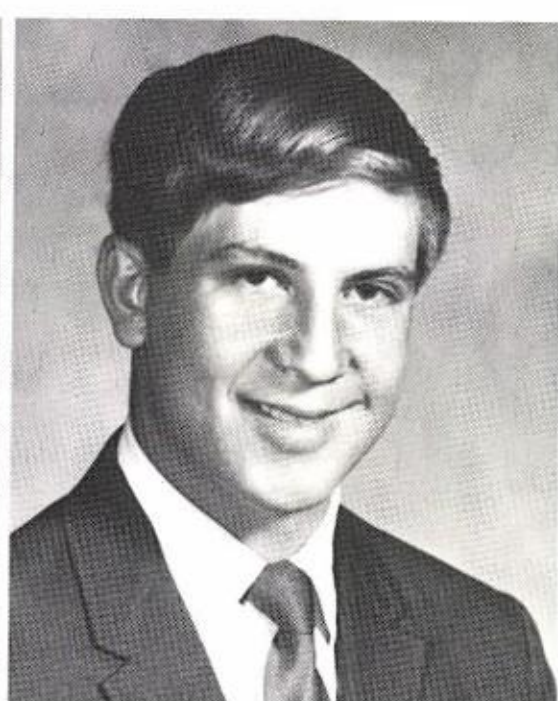

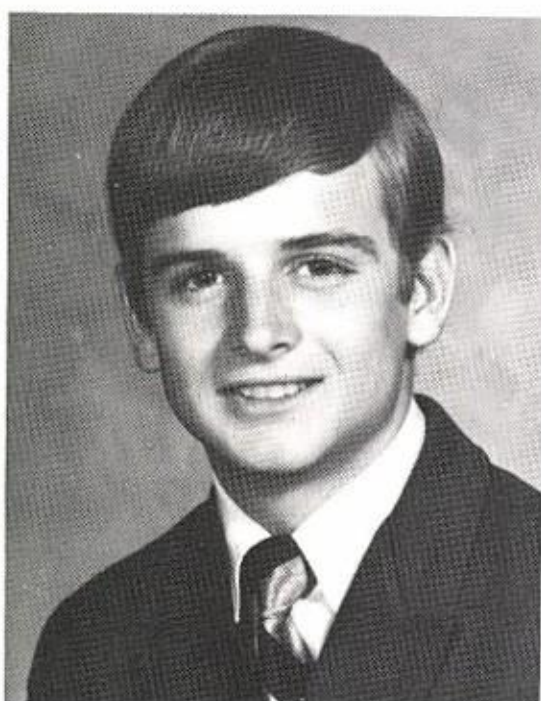

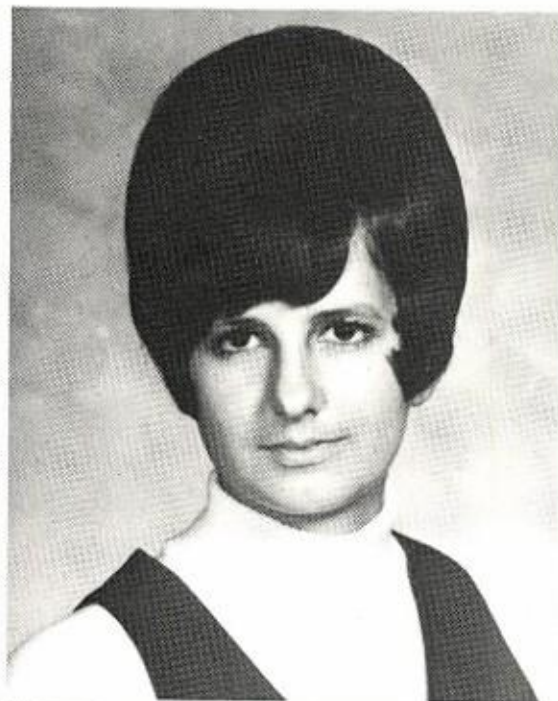

To Our Parents . . .

...we dedicate our yearbook. They have guided us, comforted us, and encouraged us through our past years, and they have worked hard to give us a solid start toward the future. Though the paths we now follow must surely become steeper and more tangled, with our parents' guidance and trust behind us, we know we can always go the right way.

A Look at the Class of 71

NC Seniors Take the Final Walk

Mr. Powers turns Jay Frye's tassel.

With dry mouths, watery eyes, and pounding hearts, twenty-eight seniors at last prepared to leave North Central behind them with Baccalaureate on May 23 and Commencement on May 24.

At Baccalaureate, Father Meitl addressed the seniors on the importance of honesty and trust in today's society. Jay Shorney played a baritone horn solo, "If Thou Be Near," and the senior girls sang "Let There Be Peace on Earth."

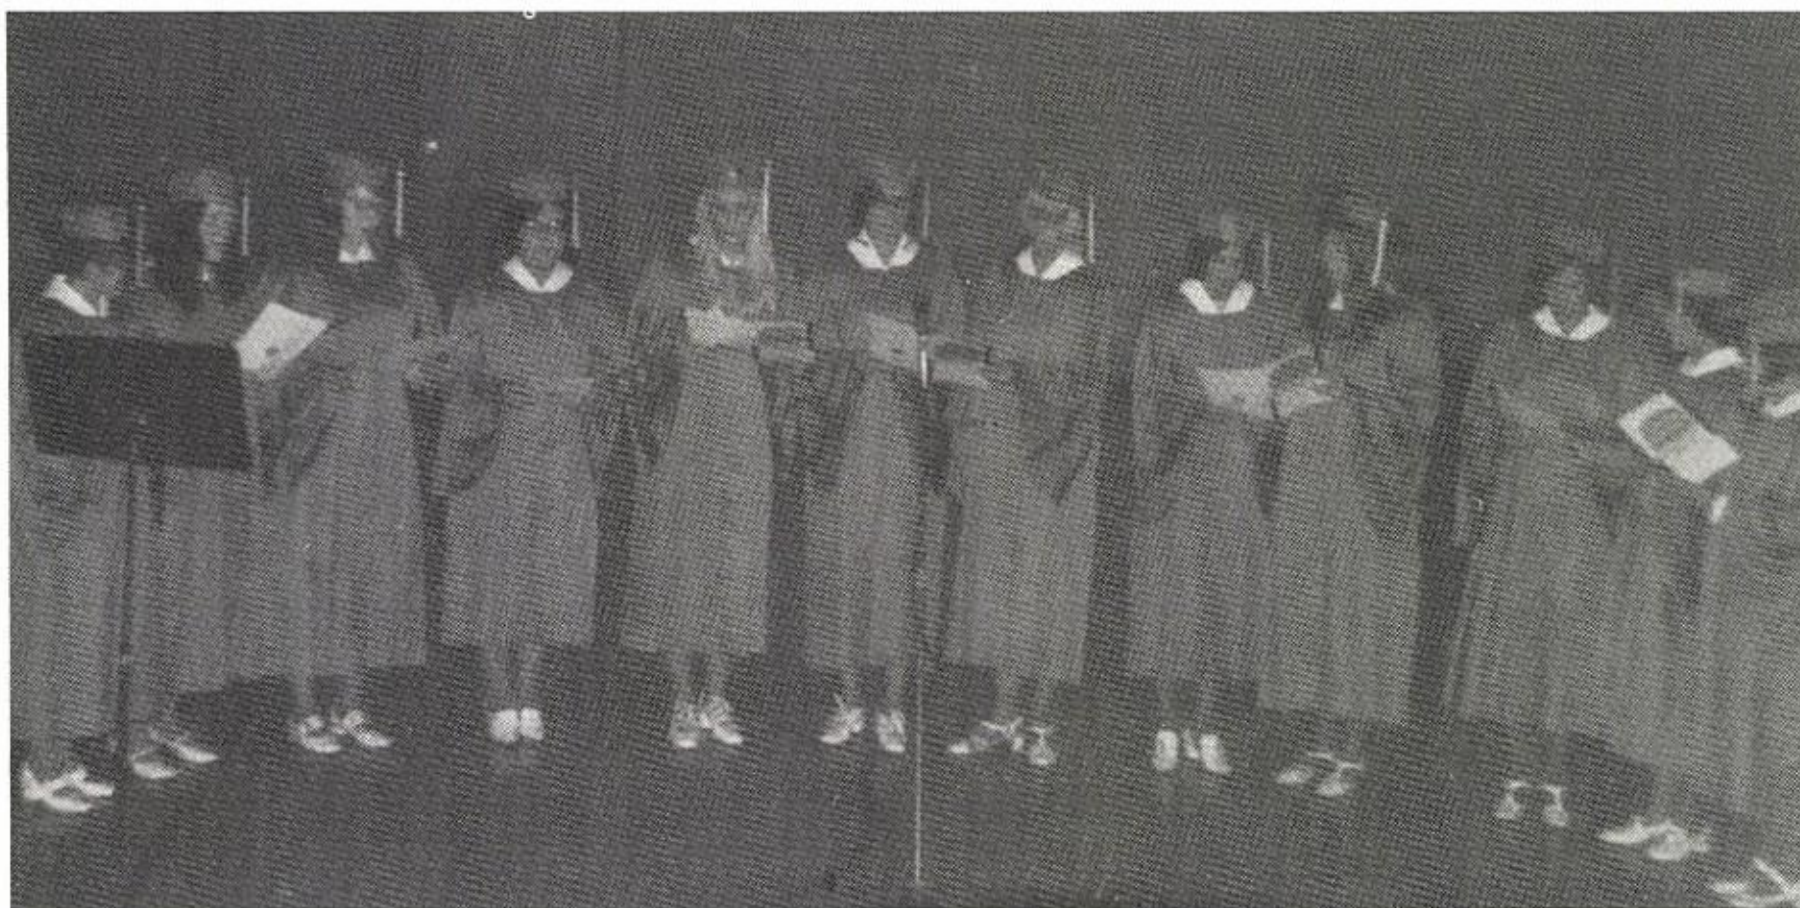

The Commencement speaker was Carnie Smith, who told the seniors of the importance of determination and fair play in the modern world. Orvel Mason presented this year's salutatory and Jay Shorney gave the valedictory. Also at Commencement, the girls' quartet sang "Dream on Little Dreamer," and Orvel Mason played "Trumpet Voluntary" on his cornet.

Senior Sneak Brings . . .

Romance

Thrills

On April 29, the Senior class left for a sneak to Kalfran Lodge at the Lake of the Ozarks, and they returned on May 2.

The members visited the Ozark Caverns and shopped at "Dogpatch" in their leisure time. During the day they also enjoyed playing pool, speedboat riding, canoeing, swimming, playing ping pong, or taking airplane rides. While on their trip, the class attended the Ozark Opry on Friday night, and they enjoyed a boat cruise in the rain Saturday night.

Each night everyone danced at the lodge to the "Velvet Sponge" and then attended a wiener roast.

Companionship

Excitement

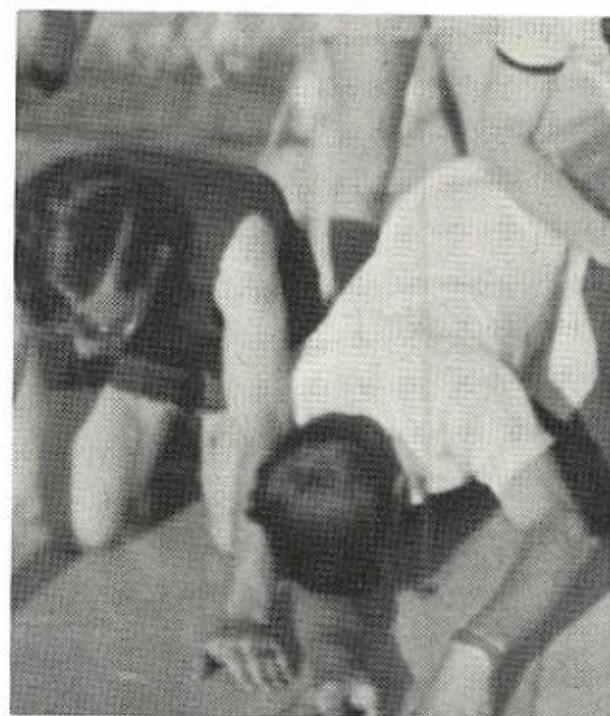

Boredom

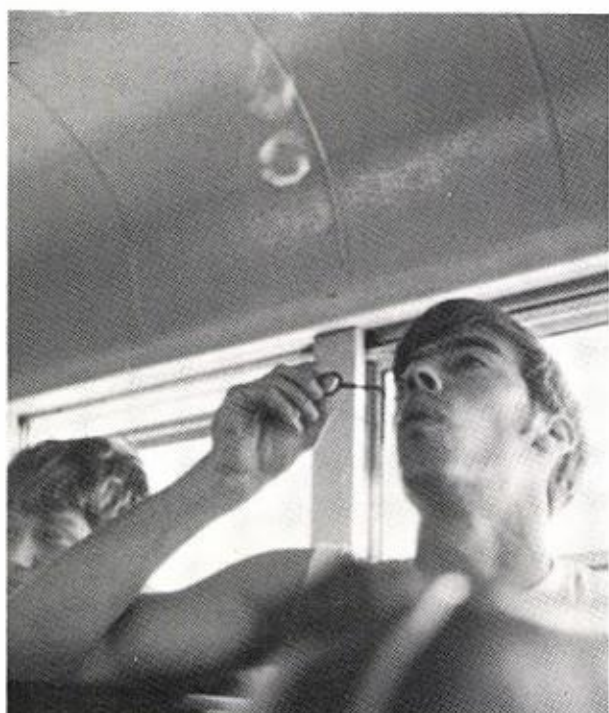

"Nighty, night!"

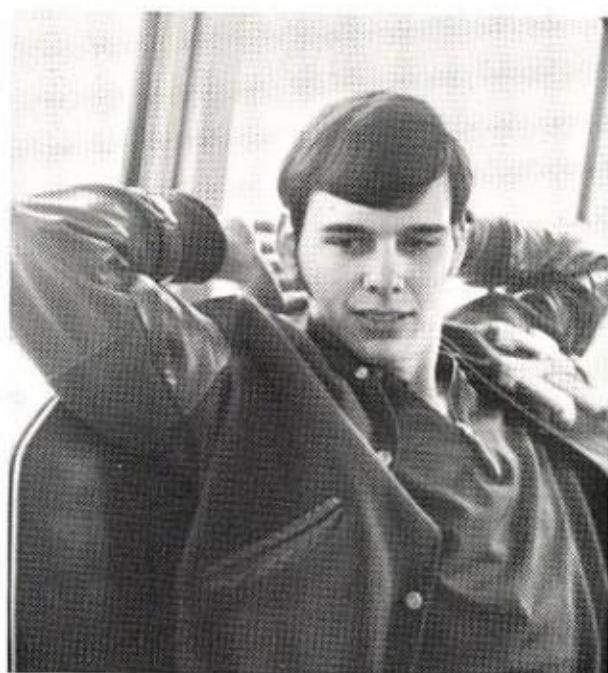

"It does wonders for the back."

"It must be here somewhere."

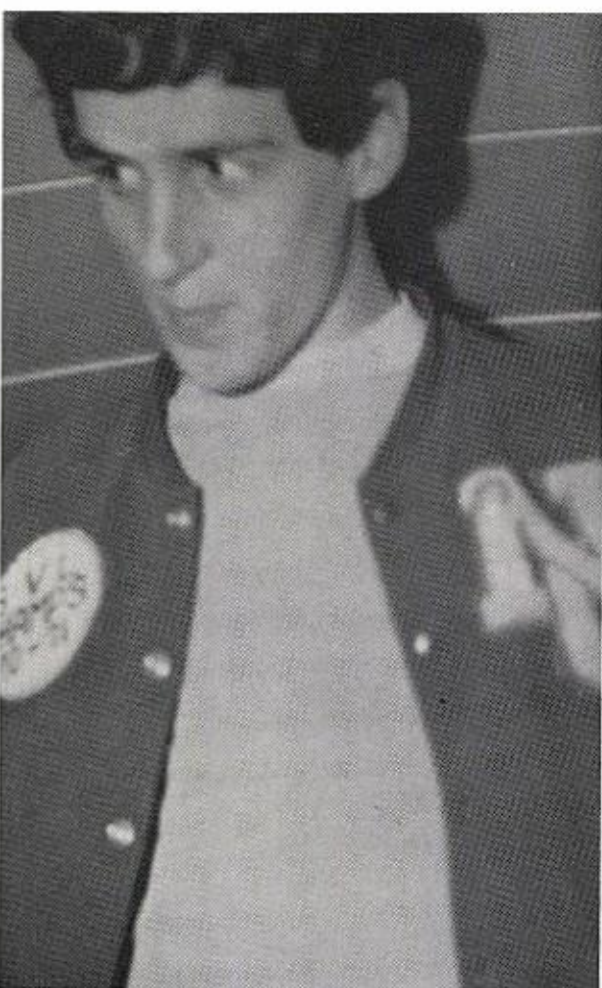

"I'm forever blowing bubbles."

"You mean you use Right Guard, too?"

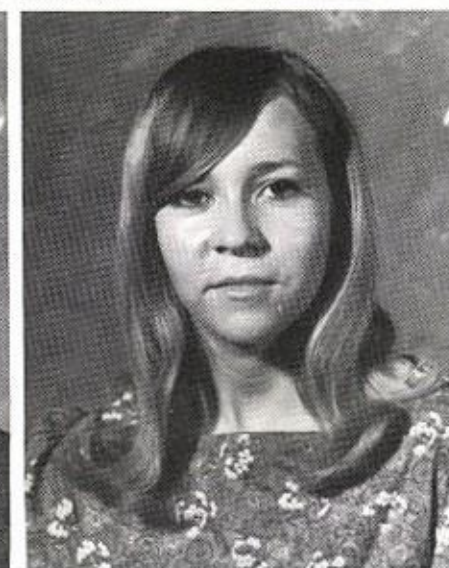

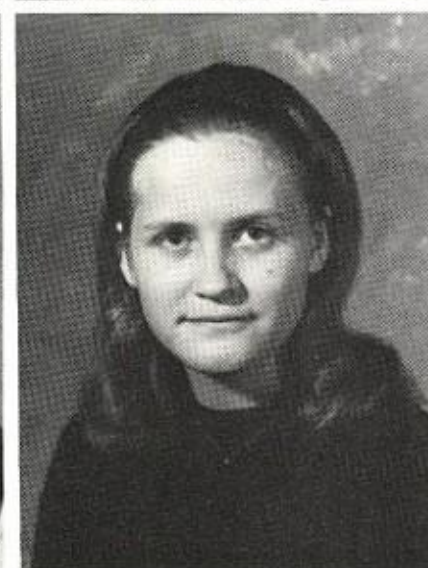

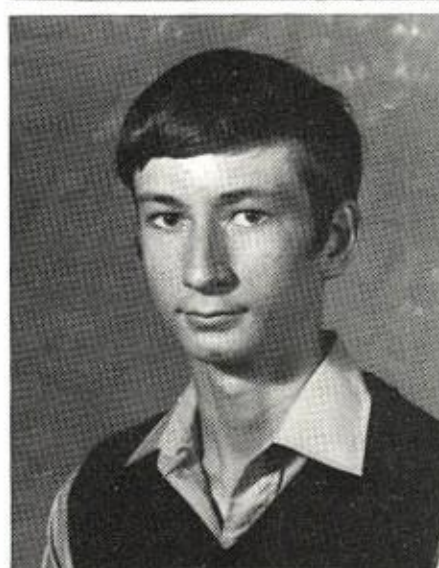

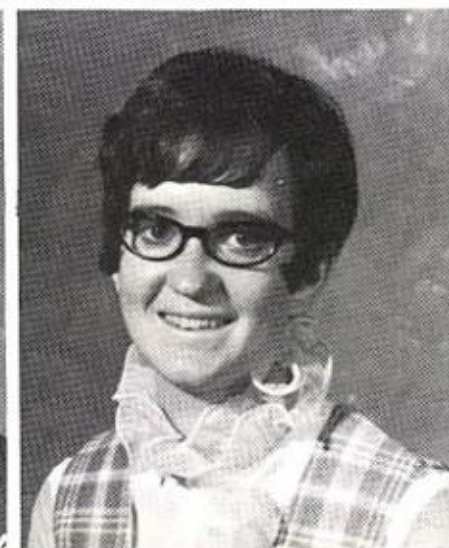

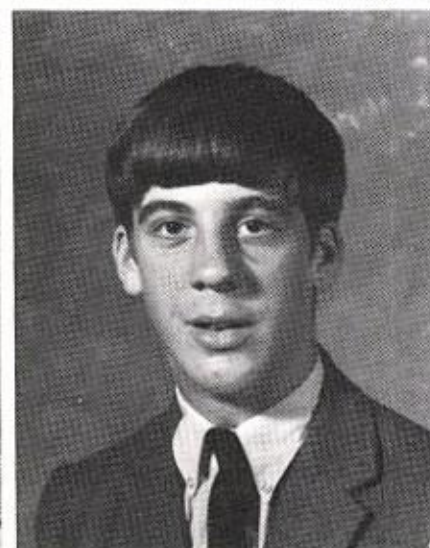

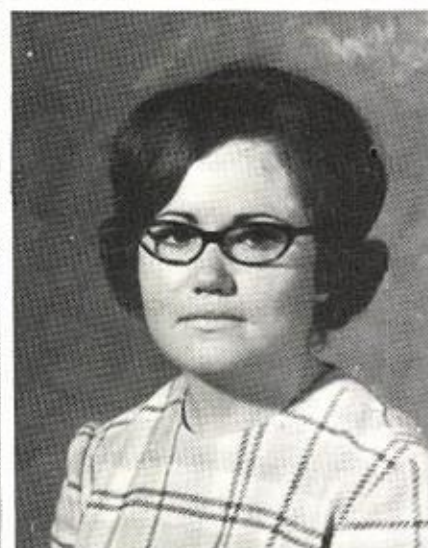

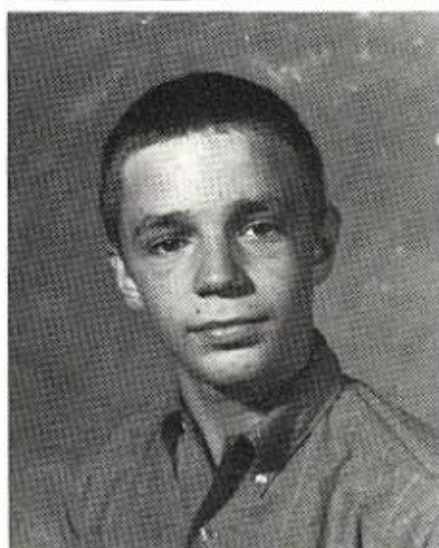

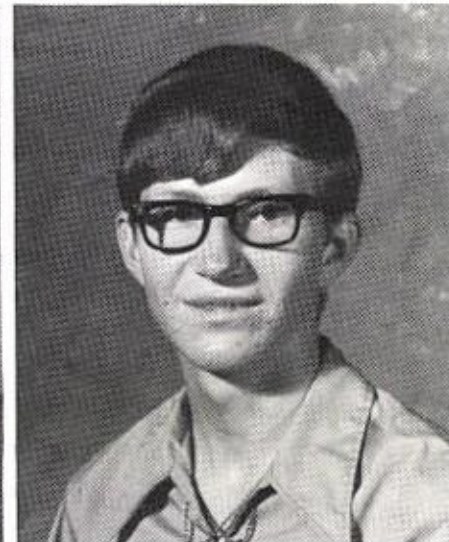

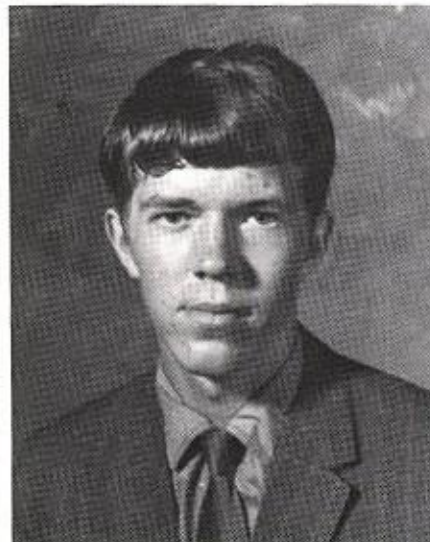

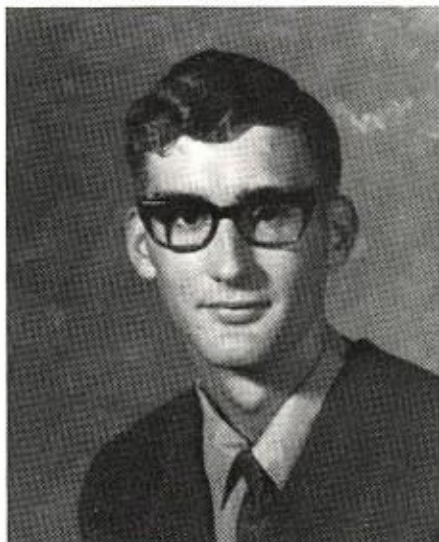

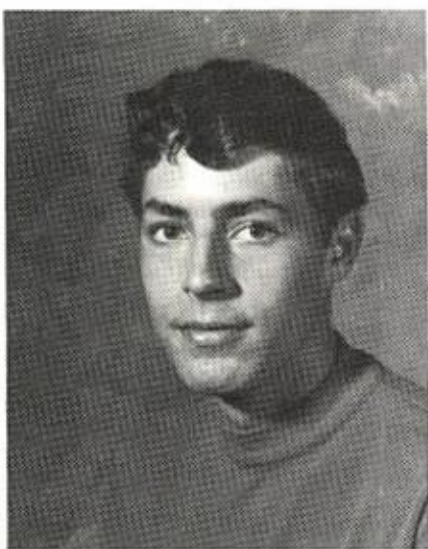

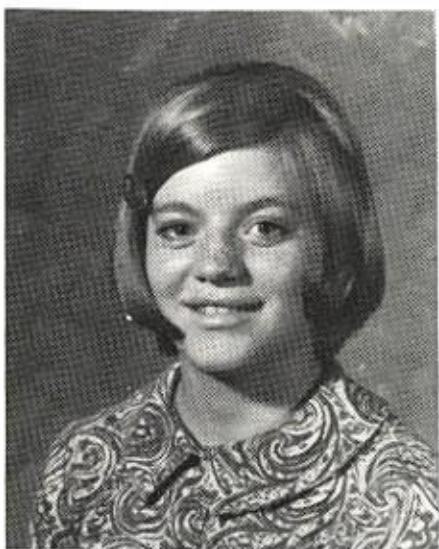

"Faster, Janice, faster!"

"Has anyone seen my purse?"

... A Busload of Memories

Administration Sets Course Straight and True

Just as a captain must guide his ship and its crew, so must the administrators of a school district guide the school and its personnel. By maintaining control over the school's programs and staff, the administrators of Unified School District #221 have continually insured the maintenance of a high standard of education at North Central High. And by taking an active interest in the young people of the community, these men have truly done a great deal toward the building of tomorrow's leaders and administrators.

Preparing Students for Tomorrow

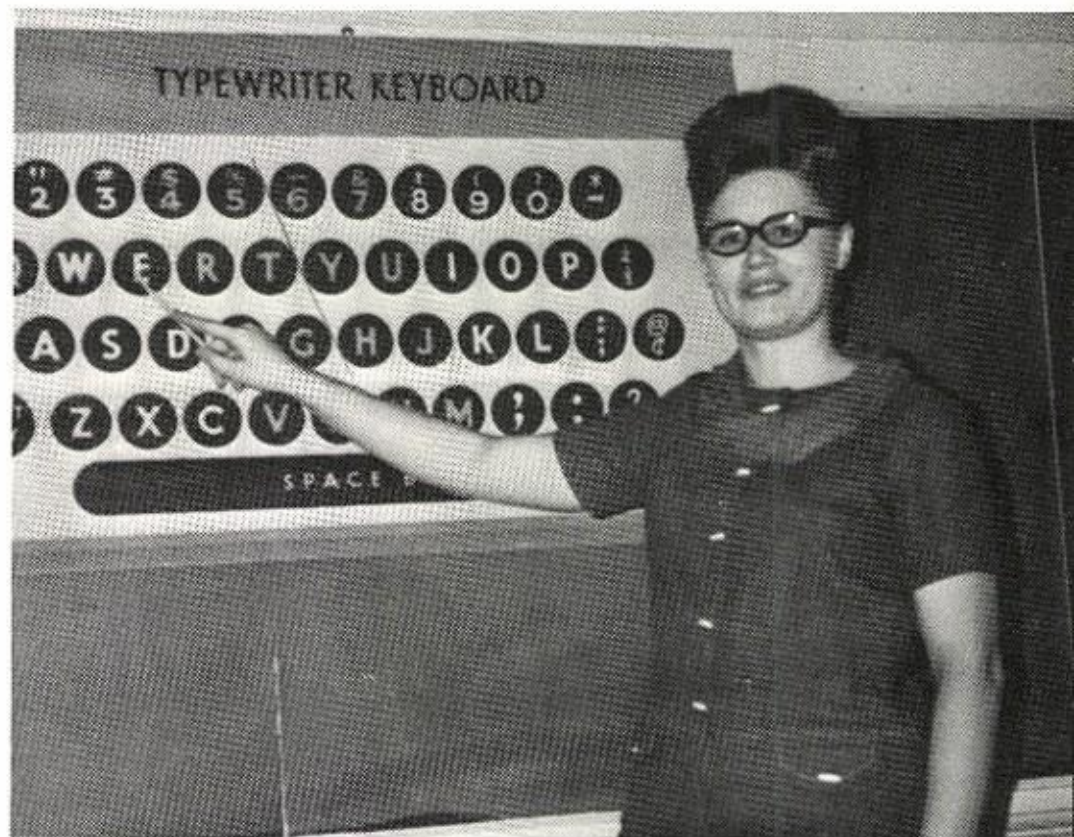

Day in and day out, from the sternest lectures to the quietest discussions, the teachers of NC High have tried to give to their students the ability to think straight, the knowledge to do useful service, and the desire to become upstanding American citizens. Always conscientious of the needs of the students, always mindful of the challenges of the times, all the faculty, from those teaching for the first time at NC to those long familiar to the community, have worked long and hard to show their students the right way, the better way. And the students of North Central can truly be grateful.

The People Behind the Scenes . . .

Cooking, cleaning, typing, driving--all are an important part of the life of a school. Thanks to the dedicated work of the cooks, Luella Hauschel and Helen Shea, NC students daily eat a warm and nutritious meal. Working dawn to dark, the custodians, Mike and Luella Hauschel, not only clean the building, but also make necessary repairs and perform other maintenance work. Mrs. Agnes Miller, the school secretary, is busy not only with typing but also with bills, orders, money, and office machines. And driving countless miles for school activities as well as daily routes are the bus drivers--Albert Busch, Dean Cox, Fred Cross, Bob Duey, Floyd Elder, Gail Farber, Bill Hynek, Jesse Hynek, Junior Lowe, Marvin Nance, Robert Tegethoff, John Zenger, and Keith Zenger.

Student Council Updates Dress Code

(L-R): Kathi Zenger, Secretary; Lyneta Lindsley, Vice-President; Mr. J.D. Brunnemer, Adviser; Orvel Mason, President; Gary Zenger.

Student Council came to the fashionable conclusion that the dress code should be updated. The times have changed from the knee high dress, to the mini dress, and now to the greatest discovery of all, the jumpsuits and pantsuits. The Student Council amended the dress code with the approval of the School Board.

The Student Council planned both homecomings. They selected the theme and the colors; and they appointed school organizations to do various tasks in preparing for the homecomings.

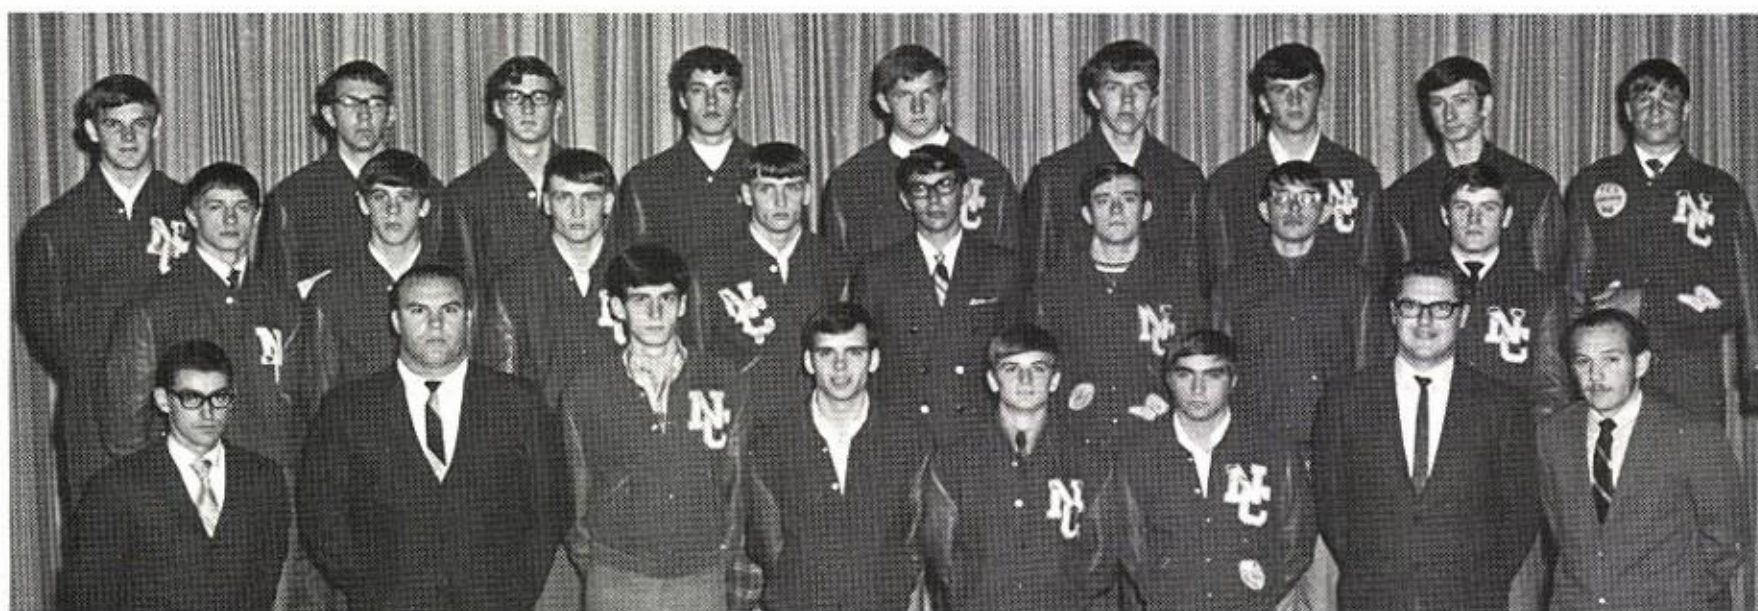

FCA Sponsors Faculty Games

The FCA sponsored two faculty games between the NC faculty and the Hillcrest faculty to help raise money for boys going to camp. The FCA pays half of the boys' way to camp with the money they raise. They also had a work day and sold ads to raise money for next year's sports programs.

Some of the services they performed this year were talking to the Methodist women at Morrowville and performing a Sunday service at the Mahaska Presbyterian church.

FCA met twice a month throughout the year to discuss the relationship of the Christian Athlete to the rest of the world.

FHA Elects David

This year during FHA Week, David Miller was chosen as the FHA Beau by the chapter mothers and Miss Prochazka. Those competing for Beau were Louie Iwert, Rex Zenger, Jess Hyland, and David Miller. Judging was based on the contestant's ability to do household tasks such as making pancakes and sewing on buttons.

The Red Rose girls elected during the year were Mitzi Lindsley, Lyneta Lindsley, and Mary Moore. Red Rose girl of the year was Mary Moore.

Participating in community projects this year, the FHA acted as co-host of a UNICEF Halloween Party, collected for the Red Cross, and presented an Easter program with the Kayettes at the Homestead. They also had several special demonstration programs on make-up, Christmas centerpieces, and flower arrangements. Centering on an Easter theme, the FHA again honored their mothers at the traditional Mother-Daughter Banquet.

Also, delegates from the NC FHA attended the District and State FHA Meeting at which Jody Bobbitt was installed as second Vice-President of the District.

With a faith born not of words but of deeds, the North Central FFA indeed had a busy year. Starting the year off by winning first in Live-stock Judging and second in Farm Mechanics at the Washington County Fair, the chapter continued to participate in contests the rest of the year.

Mary Moore was selected Chapter Sweetheart on her ability to drive a nail, saw a board, call hogs, and drive a tractor. Bill Slater was selected to receive the degree of State Farmer.

The chapter raised money by sponsoring a paper drive and cleaning up an old farmstead. They highlighted their hectic year with a Parent-Son Banquet.

Boosting

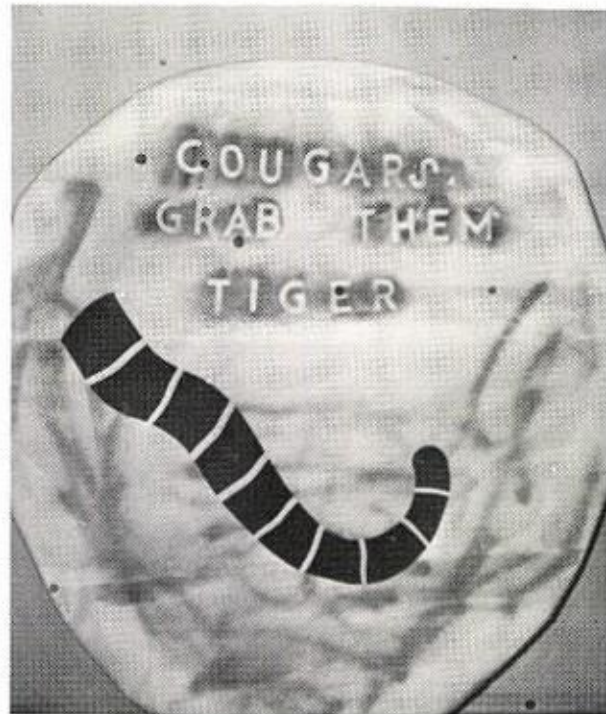

Spirit

Pep and spirit were the two key qualities displayed by the NC pep club and cheerleaders. Signs plastered school walls; hoops went to all games, and pep assemblies fired up students prior to the big games.

The cheerleaders created excitement with the introduction of a spirit stick. This stick was awarded to the most spirited class at each pep rally. The class receiving the spirit stick then retained it all week and brought it to all games until the next pep assembly. The proud winners of the spirit stick were the Seniors, having earned it the largest number of times during the season. The winners were awarded a big box of "Cheer".

NC fans showed their enthusiasm and loyalty by following the Cougars far and near. On the sidelines the pep club, cheerleaders, and fans were supporting the Cougars through each play---yelling them on to many victories.

Because of all this steady boosting, no one can forget all those tearful, exciting, and cheerful moments as the last few seconds of the games ticked on.

Kayettes Celebrate 25th Anniversary

The Kayette Clubs of Kansas celebrated their 25th anniversary this year. North Central Kayettes, with a membership of twenty-one girls, observed this event with Kayette Week. Helping them was their devoted sponsor, Mrs. Lesta Peterson. Delegates to Regional Conference at Junction City were Janice Kunc, Cindy Arbuthnot, Kaye Nutsch, and Janet Slater. Janice Kunc and Mrs. Lesta Peterson accepted the 1,000 Point Award. Kaye Nutsch, Carol Smith, Joyce Cox, and Joan Adee attended Kayette Leadership Camp. In working toward the 2,000 Point Award, the Kayettes visited the Homestead at Washington with the FHA; sold cookies at school to raise money for Cerebral Palsy; sponsored the school Christmas assembly; sponsored an all school party; displayed monthly bulletin boards; sponsored a Mother-Daughter Tea; sent a box of miscellaneous items to the boys in Vietnam; and painted the benches the basketball boys sit on in the gymnasium. The Kayettes money-making project, selling items from the Tom-Wat Kit, was very successful.

Cougars Win Seven Drop Two

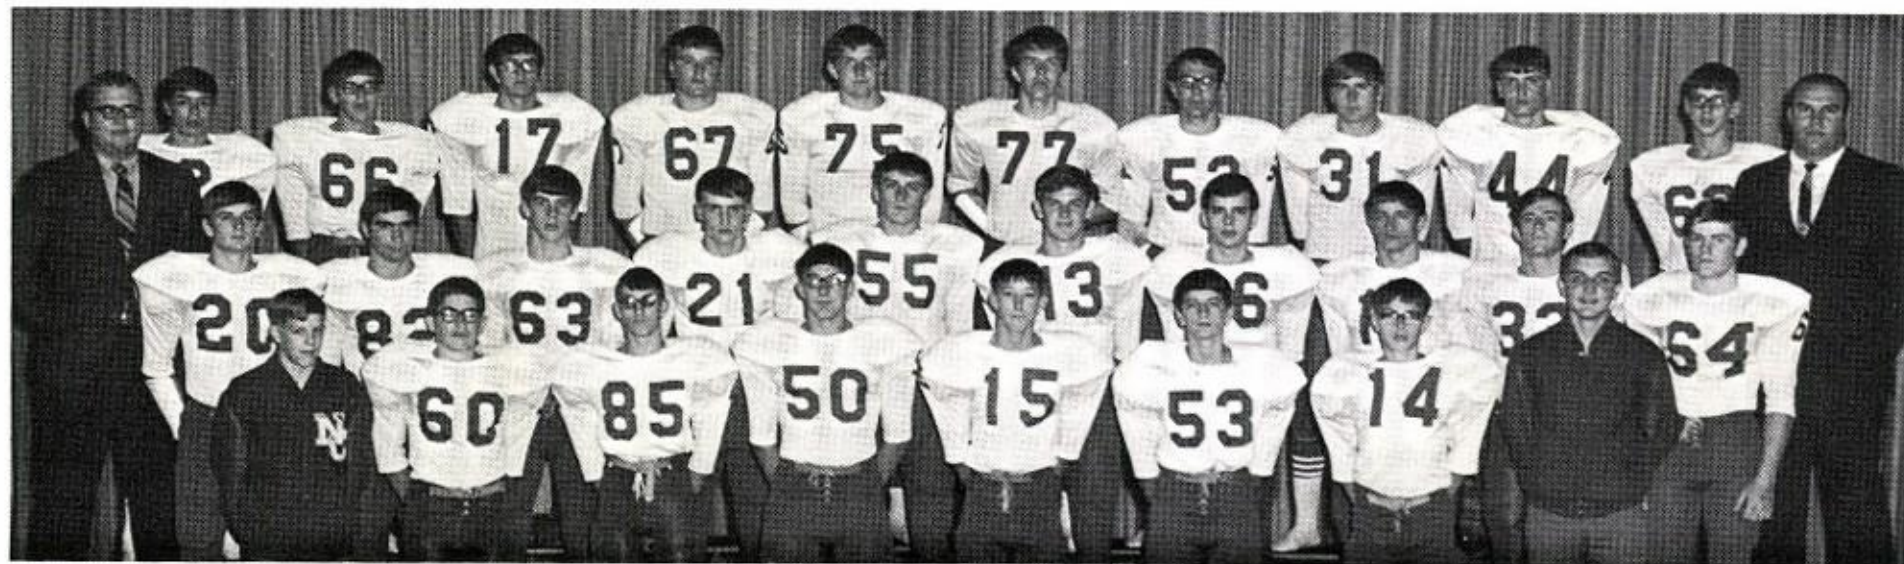

The Cougars rounded out an outstanding season of seven wins and two losses by defeating the Washington Tigers 34-0. The score told the story of the Cougar team.

Starting the season with an inexperienced backfield, the Cougars got off to a slow start. Midway through the season the Cougars gelled and went undefeated for the remainder of the season. The only returning backfield man for the Cougars was David Miller, the leading scorer in the state during the 1969 season. Complementing him was Tim Rhine who rushed for 692 yards. Jay Frye led the Cougars in yards passing with six catches for 117 yards. Larry Atkins caught two passes for a TD and a PAT. Orvel Mason and Lanny Livingston had over 80 tackles. Jim Stanton played intermittently, but he was plagued with injuries.

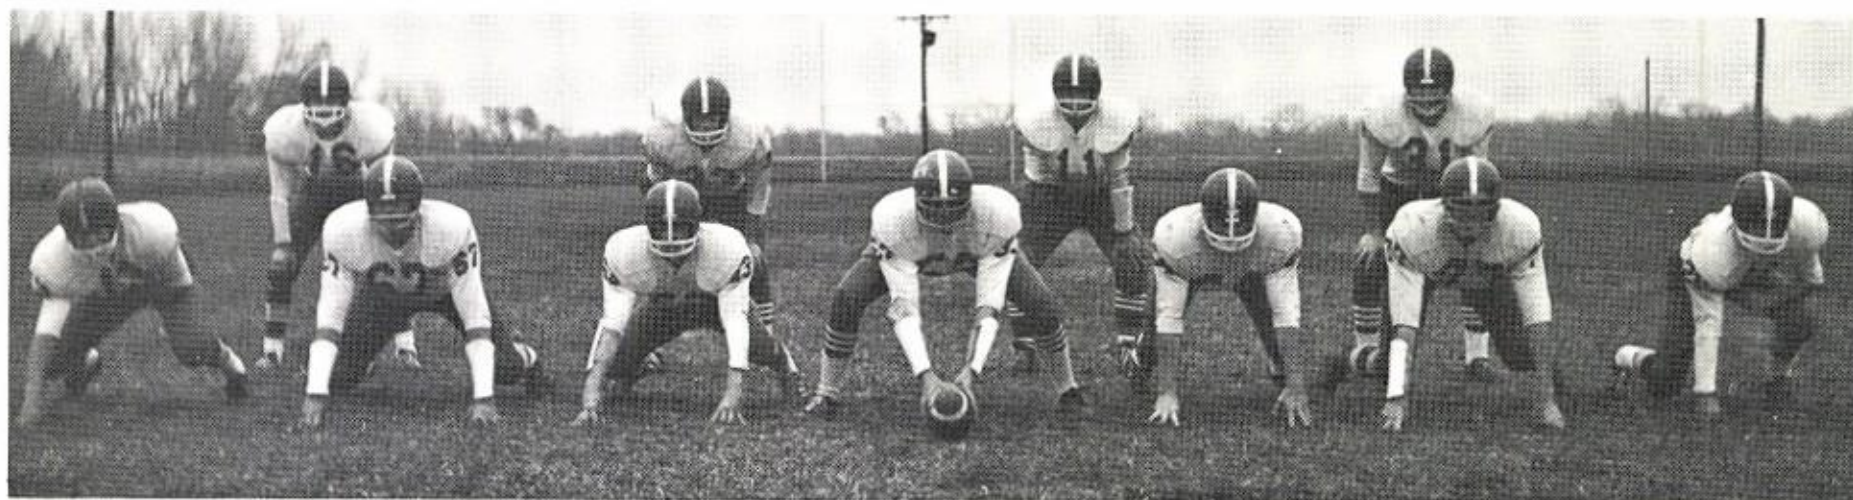

The juniors contributed a small but powerful group. Mark Lindsley played guard; Bill Slater, center; and Willie Iwert, tackle. These players amassed 100 tackles.

The sophomore group was the largest group with ten players. This group has great potential and will help carry on in the North Central tradition. Allan Kolman played quarterback; Terry Frager, end; Gary Sinn, end; Jess Hyland, end; Bob Allen, end; Gerry Frager, halfback; Larry Moore, tackle; and David Jennings, guard.

The freshmen were led by Louie Iwert, defensive tackle, who had 32 tackles in varsity play.

Cougars Set Records

The Cougars set three new grid records during the 1970 season. They set a new record for shutouts in a season with five this year. David Miller broke his old mark of 1,179 yards by rushing for 1,316 yards on 165 carries for an eight yard average and 82 points. Tim Rhine set a new mark for tackles and 47 assists from his middle line-backer position.

The Cougars also tied three records this season. Jay Frye tied the record for most interceptions set by David Miller in 1969 by stealing five of the opponent's aerials. The Cougar team also tied the record for the most wins in a season--seven. Unfortunately, they also tied the record for most losses in a season--two. NC has a four year record of 27 wins, 6 losses, and 1 tie.

Jay Frye goes high in the air to intercept another pass. Jay intercepted five recorded passes this year.

Coaches and Captains Lead Cougars

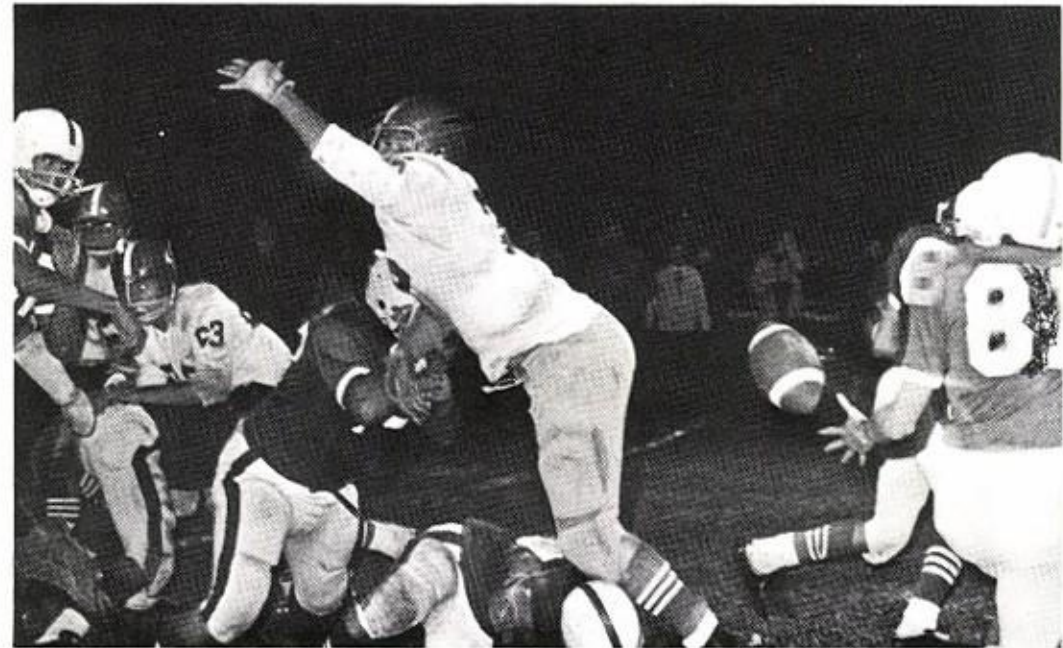

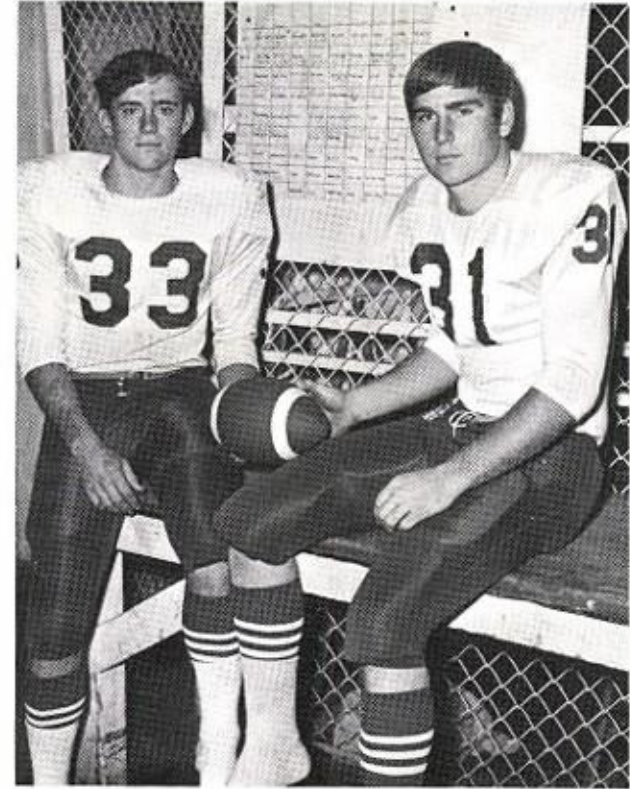

Much of the success the Cougars experienced this year can be accredited to the NC coaching staff. Football is 84% practice and 16% games. A player can always forget the agony he went through on the practice field when his team has a winning season, but the coaches always remember the "shaping up" that goes into winning games. Coach Gilkison and Coach Long did a great job of getting the Cougars in shape.

All the players will long remember Coach Gilkison and his "Show a little hus'!" Some of Coach Gilkison's drills seemed ridiculous at first; but after the second game of the season, the Cougar gridsters realized how effective they were.

And can anyone forget Coach Long and his crab drills? Our linemen, the unsung heroes of any football game, were relatively inexperienced when the season began; but Coach Long molded them into an efficient unit.

Of course, coaches do much more than just get their players in shape physically. Before a player can play to the best of his ability, he must be mentally ready to compete. The coaches must work throughout the week preparing their players. But perhaps more effective than the coaches are the captains in getting their teammates ready to play. The Cougar captains, David Miller and Tim Rhine (pictured at the TOP RIGHT), were very inspiring to the other players. Not only in games but also in practice David always had something to say to "get the team up." It was common for David to say, "Thanks for that hole, you linemen!" after he scored on a long touchdown run. Things like that really make a team. Tim was not as outspoken as David, but his quiet effectiveness made every player on the team realize that if they worked as a unit they could win. His words of praise could make a player feel good, or he could chastise one severely if he blew a play.

With leadership like the Cougars had this year, they had to win games. Thanks, coaches and captains!

Louie Iwert pressures the Luckey High (Manhattan) quarterback during the 1970 homecoming game which the Cougars won 20-0.

In both victory and defeat the Cougar team backed its coaches, head coach Richard Gilkison and assistant coach Harvey Long.

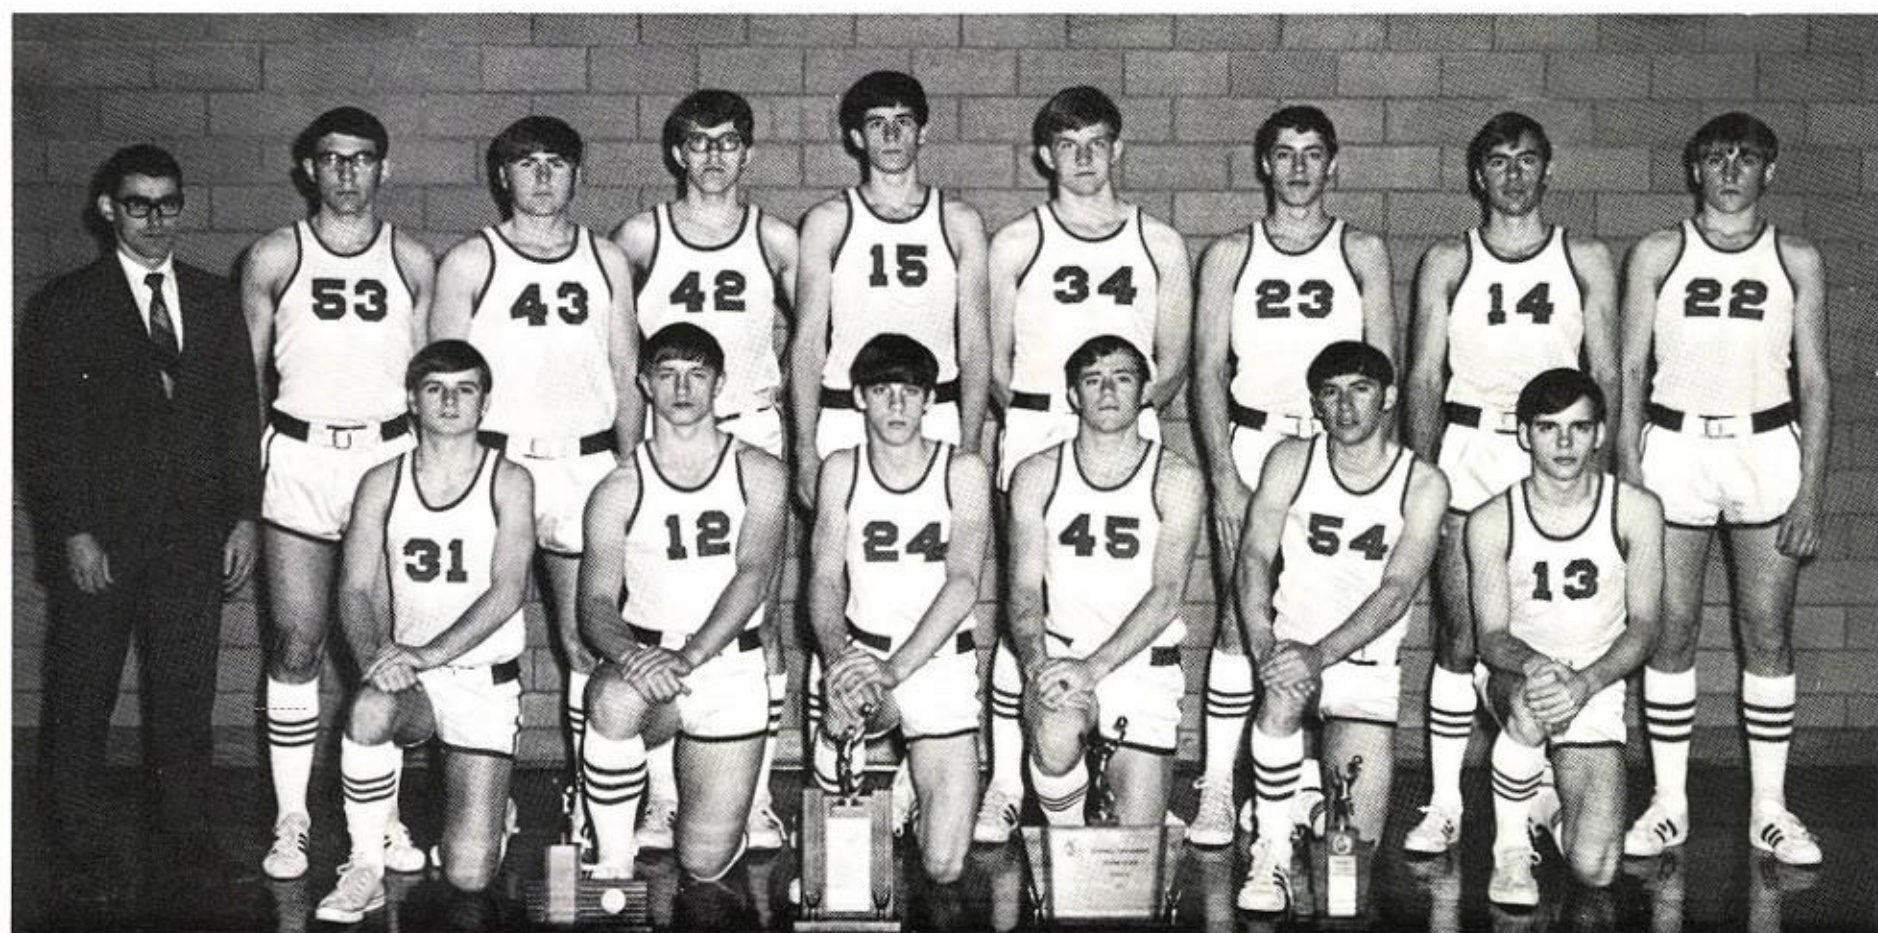

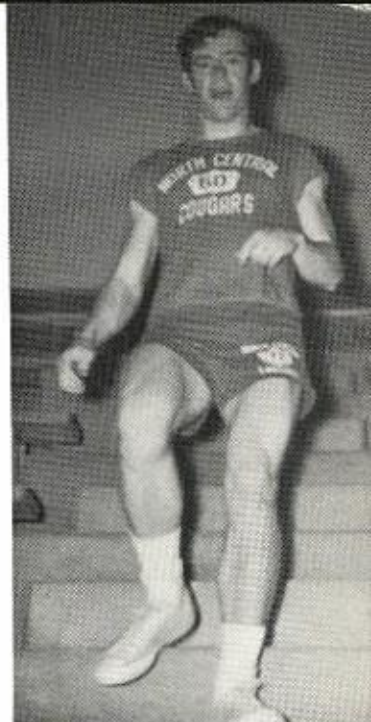

Hard Work Pays Off for Cougars

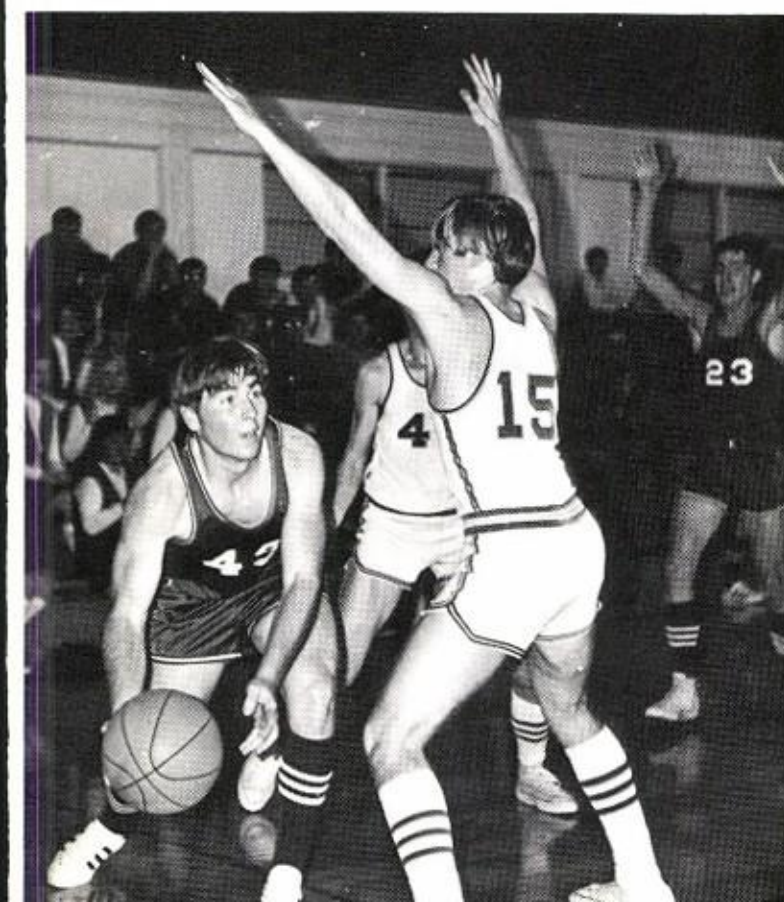

About the season, Coach Ronald Scott said, "I was very pleased with it (the season). The stairs really paid off."

This was Coach Scott's first year coaching. His coaching ability is echoed by the season record. He led the Cougar cagers in everything throughout the season, including leading them in calisthenics and laps in practice.

Assistant Coach Harvey Long provided able leadership for the "B" team and the freshmen. Coach Long's only fault was that he needed a seat belt to keep him in his chair. That way he might have avoided some of those technical fouls.

Allan Kolman scores another basket on a fast break. The Cougar fast break destroyed many teams who weren't in shape.

'71 Cougars Post Best Record Ever

The 1971 Cougars experienced more success with fewer defeats than any other NC basketball team ever. The Cougars, under the leadership of head coach Ronald Scott and assistant coach Harvey Long, posted a season record of nineteen wins and four losses, including a perfect record of ten wins and no losses in league play and a second place in the Regional Tournament. No other North Central team had ever gone so far in the Regional Tournament.

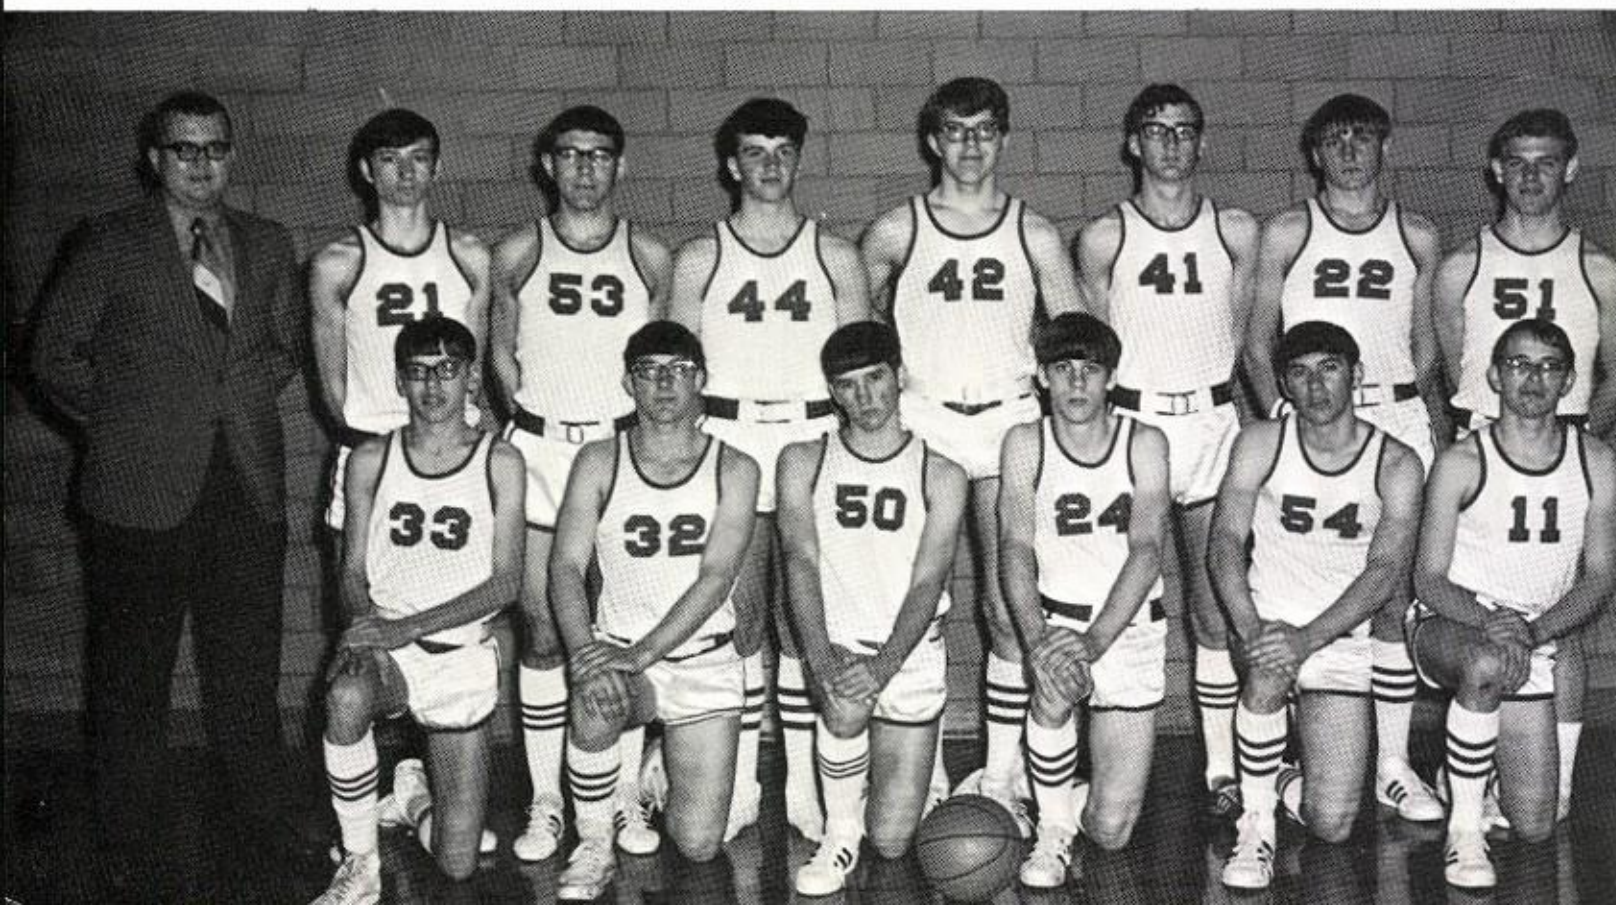

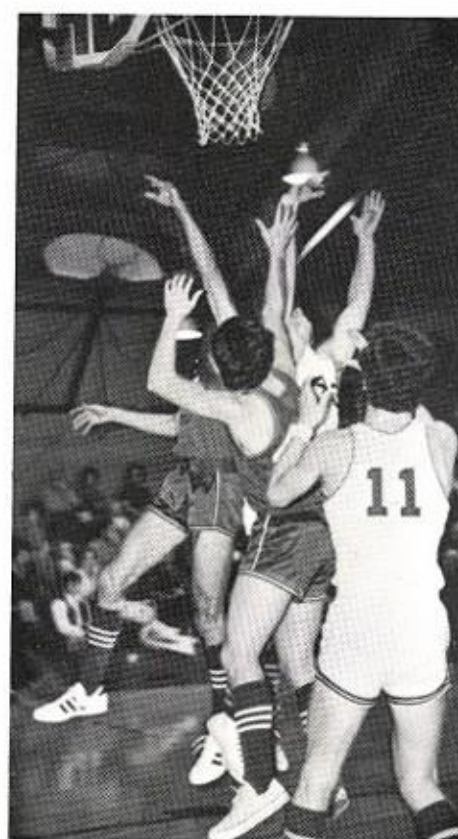

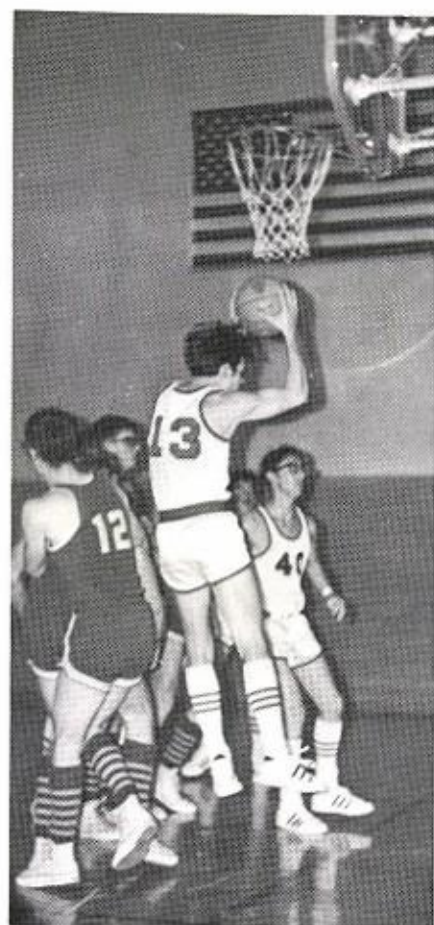

The Cougars worked hard and got in shape early this year. They depended on their fast breaks to not only score points but also tire their opponents. This strategy worked well throughout the season. The Cougar cagers weren't, however, just a team that ran. They shot the ball very well, having a 43 per cent field goal average for the season. Leading the Cougars in field goal percentages was Jay Shorney with a 53 per cent field goal average and 407 points. Jay also led in free throws with a 69 per cent average. He was voted the first Donald "Gooch" Moore Most Outstanding Basketball Player.

Jay, however, wasn't the only player on the team. Tim Rhine scored 287 points during the season, Tim Nance grabbed 232 rebounds, and Doug Allen and Allan Kolman together dropped 304 points through the net. The Cougar bench was instrumental in attaining the successes the Cougars reached this year. A coach once said, "The first team is only as good as the second team makes them." That says enough about the Cougar second team.

The Cougar B-team carried on in the NC tradition, ending the season with a 15-3 record including third place in the Solomon Valley League Tournament. The potential of the players on the B-team insures that the team in following years will carry the NC banners high.

The freshmen won a second place trophy in the Solomon Valley League Freshmen Tournament, after having lost five games. They went on to post a season record of 4-8, led by Louie Iwert's 33 points per game.

Willie Iwert awaits the starter's gun in the 880 yard run. Willie's time in the 880 was 2:09.6. This was a good enough time to place him second in the league track meet at Beloit.

Bill Slater runs stride for stride with a Courtland trackster as he approaches the finish line in the 220 yard dash. Bill's best time in the 220 was 24.45 seconds.

Louie Iwert throws the discus in a warm-up throw. Louie set a new school record in the discus with a throw of 133' 5 1/2". Louie also threw the shot 47'7", four inches away from the school record. Louie won these two events at the league meet;

Allan Kolman tied the school record of 11 feet in the pole vault. Allan also threw the shot put 45'4" for second place in the league meet.

Lester Zimmerman sets the pace in the two-mile run as he lowers the school record by Bob Buehler to 11:18.1.

Cougar Tracksters Post Several New Records

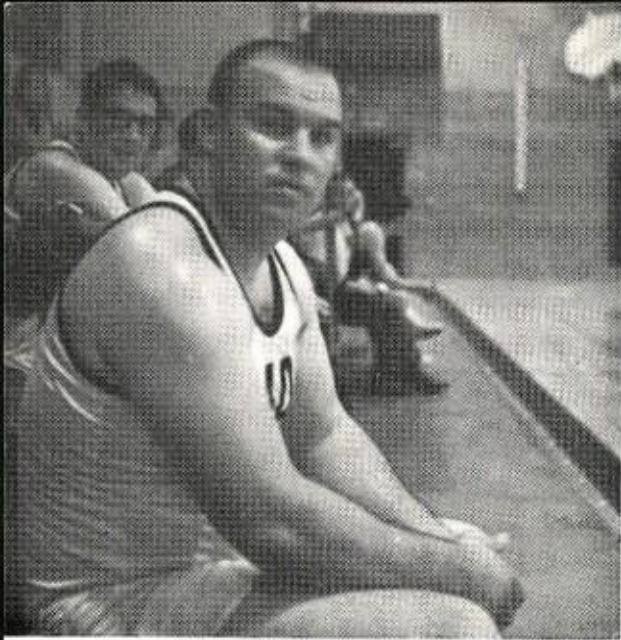

The Cougar track squad participated in eight track meets this year setting several new records. David Miller tied the record for the 100 yard dash with a time of 10.4, set a record for the 440 running it in 54.1, and broke the 60 yard record with a 6.7 timing. Allan Kolman tied the existing pole vault record of 11 feet; Louie Iwert broke the discus record with a throw of 132' 5 1/2"; and Lester Zimmerman ran the two-mile in 11.18.1. The track team placed fourth in the league tournament and took several entries to the Regionals.

The Cougar tracksters were definitely a young team this year and showed promise for a good team in future years.

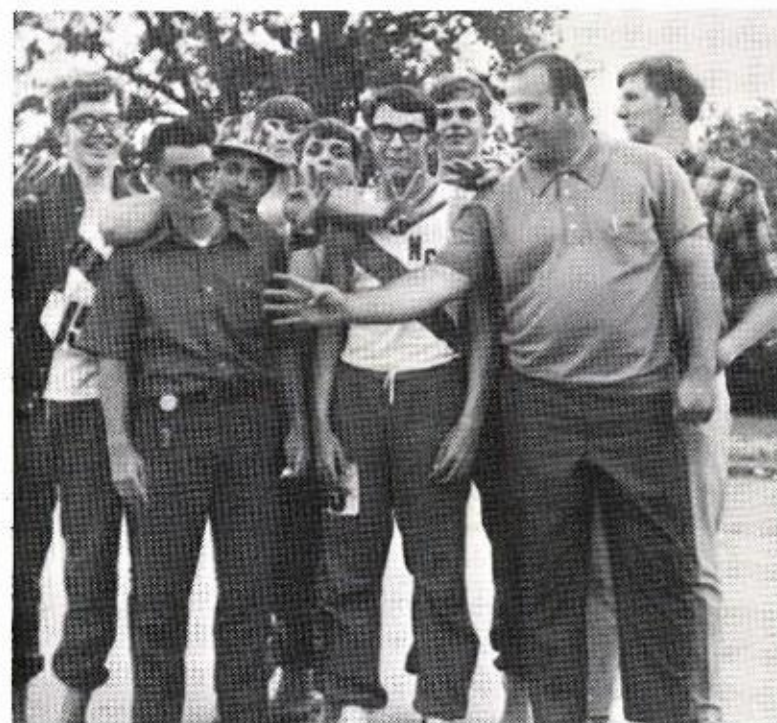

Terry Frager stretches to give Bill Slater the baton in the 880 yard relay. Other team members were Gerry Frager and anchor-man David Miller. The relay team recorded a best time of 1:37.5. They placed second in the league meet.

Hard Work, Sore Muscles, And Fun!

This year's girls' sports program combined fun with hard work and sore muscles. The person most responsible was Miss Prochazka, who enjoyed it just as much as the girls did. A lot of credit is due to her.

The girls ended their volleyball season with three wins and six losses. They also won fourth place in the tournament. The A-team members were Karen Rhine, Susie Lindsley, Jody Bobbitt, Diane Duey, Mary Moore, Patty Nutsch, Mitzi Lindsley, and Shirley Dart.

The basketball season wasn't too successful for the girls, but it was a lot of fun. They won one game and lost four.

A lot of sore muscles were treated during the track season. Nineteen girls participated for the track events at the five track meets the girls took part in this year. The team and coach worked hard--as a result they achieved fourth at Clifton and sixth in the league track meet.

The band and chorus both showed great improvement over the year, and I sincerely hope that next year even more interest and participation will be shown in both. I feel that these were two of the finest groups in the whole school, and I hope that they improve even more next year. I could not have asked for better students to work with.

Juniors Present "Shy Guy"

"Shy Guy" was presented in November by the Junior Class. The three act comedy centers on Fred Hastings, who has been spending more money than his parents believe he is earning. When he tells Larry Madison, his best friend, that he has been working as a model for Glamour Girl Cosmetics, who should appear but Gloria Patterson and Lois Corwin--the model he worked with and the lady he worked for. Add to this a birthday party and Melinda Whipple, a wiry, eccentric little old lady of eighty, and Fred Hastings becomes anything but a "Shy Guy". The cast did a splendid job of presenting the play which was directed by Mr. Marvin Nance.

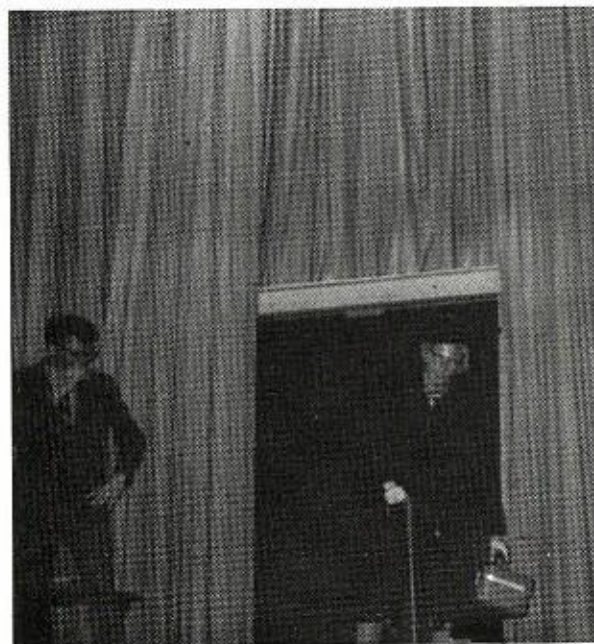

"Let me at him!!"

"Spooks Alive" Spooks Audience!!!

The three act mystery-comedy, "Spooks Alive," was presented by the Senior Class in the spring. The story centers on the warden's home, an old abandoned prison. Professor Rockby, who has decided to become an author, thinks this home will provide the proper "atmosphere" and moves his family there for the summer. Things begin to happen--Mrs. Simpson sees a ghost and Marcel Smythe disappears. After much confusion, laughs, romance, and mystery, the missing girl is found and a twenty-year-old mystery is finally solved. The cast gave an outstanding performance under the capable direction of Mrs. Peterson.

A Dream Is a Wish Your Heart Makes

"A Dream Is a Wish Your Heart Makes" was the theme for the Junior-Senior Prom and Banquet on April 17, 1971. The decorations fitted the theme as they transformed the old gymnasium into a dreamland of royal purple and orchid. A royal purple arch adorned the entrance hallway, and a purple and white dome sheltered a wishing well.

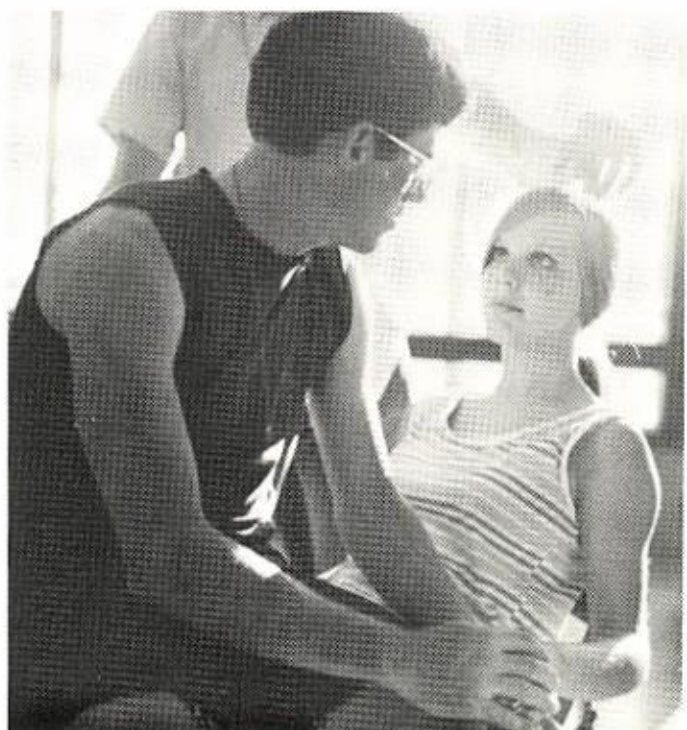

Mitzi Lindsley, president of the junior class, welcomed the guests to the banquet, and Cindy Arbuthnot, president

of the senior class, gave an appropriate response. Our principal, Mr. J.D. Brunnemer, gave recognition to the seniors. After supper, the servers, a selected group of sophomores, performed a Hawaiian "Wish Your Heart Makes." Mitzi Lindsley sang "Memories."

Soon after the program, the servers made quick work of clearing away the tables and moving in "Sunflower," the band that provided the dance music.

??????????????

Make new friends, but keep the old;
Those are silver, these are gold.
New-made friendships, like new wine,
Age will mellow and refine.
Friendships that have stood the test--
Time and change--are surely best;
Brow may wrinkle, hair grow gray,
Friendship never knows decay.
For 'mid old friends, tried and true,
Once more we our youth renew.
But old friends, alas! may die,
New friends must their place supply.
Cherish friendship in your breast--
New is good, but old is best;
Make new friends, but keep the old;
Those are silver, these are gold.
